- d. Non-compliance with training requirements will lead to suspension of the Foundation Card¹.

6. Cardholder Responsibilities

- a. It is the Cardholder's responsibility to ensure the Foundation Card is used in accordance with program policy and that all purchases comply with CSFPF, CSUF, and CSU policies and procedures.
- b. **Conflict of Interest** – A Cardholder is delegated a limited purchasing authority on behalf of the Foundation and University. The Cardholder is responsible for ensuring all purchases do not fall within the definition of conflict of interest (*Note: the prohibition list below applies to all CSU employees*):
- “No public employee at any level of state or local government shall make, participate in making or in any way attempt to use his [or her] official position to influence a governmental [CSU] decision in which [s/he] knows or has reason to know [s/he] has a financial interest.” Gov't Code § 87100.

 - Conflict of Interest purchase(s) can subject the Cardholder to suspension or revocation of the Foundation Card, and the violation reported to the appropriate manager for review.

A Delegate’s assistance does not preclude the Cardholder in any way from this responsibility¹.

7. Delegate Responsibilities

- a. Only an Officially Appointed Delegate will be recognized by CSFPF through the Foundation Card Delegation of Authority to assist the Cardholder with reconciling Foundation Card transactions. The appointment or use of an unofficial Delegate constitutes non-compliance with the Foundation Credit Card Program Policy and may result in suspension or revocation of the Foundation Card.
